Valentine's Day

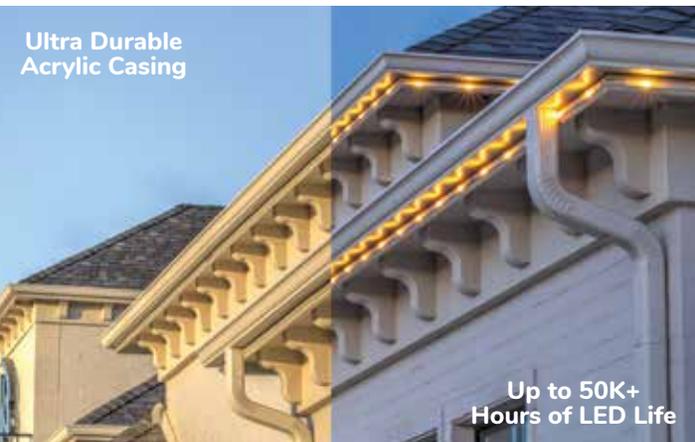

Show the community, that you care!

Imagine the scene: People cheering, laughter filling the air, and a strong sense of community. BlueHopper's lighting doesn't just illuminate your dealership; it helps create unforgettable experiences.

Have you planned your community engagement programs? Just schedule and forget, and let our lights do the magic to show how much you care.

Ultra Durable Acrylic Casing

Up to 50K+ Hours of LED Life

Invisible during the day, amazing at night.

Our lighting strips totally disappear into the structure of buildings on which it is installed. Thanks to special acrylic mounted casings!

" MeshTek is leading the increase of transformative digital lighting installations that were once cost-prohibitive and complex. Their patented, long-range Bluetooth mesh is the brilliance behind the solution and the future of outdoor device connectivity. "
