Ultra Durable Acrylic Casing

Up to 50K+ Hours of LED Life

Invisible during the day, amazing at night.

Our lighting strips totally disappear into the structure of buildings on which it is installed. Thanks to special acrylic mounted casings!

Let the advanced automation of BlueRoots App do its role throughout the year.

" MeshTek is leading the increase of transformative digital lighting installations that were once cost-prohibitive and complex. Their patented, long-range Bluetooth mesh is the brilliance behind the solution and the future of outdoor device connectivity. "
