

Celebrate any season, any reason!

Digitally Addressable LEDs:

Programmable schedules, color options, presets, effects, and scenes allow you to celebrate any holiday or occasion...

Celebrate, and enjoy!

There are lots of reasons to celebrate any season, any cause. So, light up your festivals and special days with our themed lighting that will boost the customer experience.

Fourth July

New Years

Game Day

Christmas Holidays

City Celebrations

Valentine's Day

One Time Installation

Works with 20+ Landscape and Outdoor Lighting products...

Schedule & Forget

Schedule occasions like Christmas, Halloween, Mother's Day, Independence Day and many more...

Ultra Durable Acrylic Casing

Up to 50K+ Hours of LED Life

Invisible during the day, amazing at night.

Our lighting strips totally disappear into the structure of buildings on which it is installed. Thanks to special acrylic mounted casings!

Let the advanced automation of **BlueRoots App** do its role throughout the year.

"MeshTek is leading the increase of transformative digital lighting installations that were once cost-prohibitive and complex. Their patented, long-range Bluetooth mesh is the brilliance behind the solution and the future of outdoor device connectivity."

- Mark Cuban

Owner, Dallas Mavericks, and investor on the hit show Shark Tank

ABOUT BLUEHOPPER

Introducing BlueHopper's municipal lighting solution – a perfect blend of speed, reliability, and affordability. With BlueHopper's year-round programmable lighting, Unleash your creative vision and effortlessly control 16 million colors, 100+ effects, scenes, and presets, as well as infinite patterns across multiple buildings, all from anywhere in the world. Empower your municipality with BlueHopper's cutting-edge cloud-controlled software, providing full control over your buildings' outdoor lighting. Unleash infinite holiday color combinations and captivating movement patterns for enhanced facility visibility, improved security, year-round celebration, and reduced maintenance. Create stunning displays for major holidays, events, social causes, and other special occasions. The BlueHopper's lighting seamlessly integrates into your surroundings, blending in during the day and shining brightly at night. With BlueHopper, you can keep your lights up year after year, enhancing your space's ambiance and creating a warm and welcoming atmosphere. It is a plug-and-play, user-friendly system with advanced features and 35+ patents.

BLUERROOTS APP

Effortless Control at Your Fingertips

Unveil the power of BlueRoots, our exclusive in-house app designed to enhance your BlueHopper experience. Compatible with iOS and Android, this intuitive app puts you in complete control, allowing you to effortlessly program and schedule every aspect of the BlueHopper product family. Effortlessly oversee multiple commercial properties remotely by consolidating them within one central ecosystem. Group lighting systems for seamless control and assign specific staff permission levels for individual property management. Stay in charge, no matter the distance, and streamline operations with our innovative remote management solution. For added convenience, our optional gateway opens doors to integration with Alexa, Google, security systems, weather updates, sports feeds, and remote access, giving you unparalleled flexibility even for expansive or multi-property installations.
