One Time Installation

One-Time Installation: BlueHopper's permanent lighting surpasses temporary lighting in efficiency, convenience, and aesthetic appeal.

Easy Finance Options

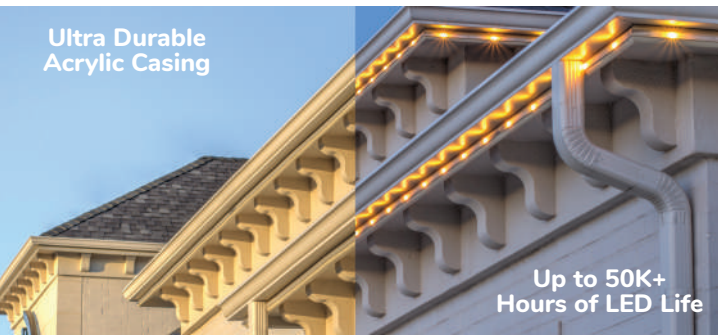

Ability to transform large purchases into manageable monthly payments.

Schedule & Forget

Schedule occasionlike Christmas, Halloween, Mother's Day, Independence Day and many more...

Ultra Durable
Acrylic Casing

Up to 50K+
Hours of LED Life

Invisible during the day, amazing at night.

Our lighting strips totally disappear into the structure of buildings on which it is installed. Thanks to special acrylic mounted casings!

Let the advanced automation
of **BlueHopper App** do its role
throughout the year.

"MeshTek is leading the increase of transformative digital lighting installations that were once cost-prohibitive and complex. Their patented, long-range Bluetooth mesh is the brilliance behind the solution and the future of outdoor device connectivity."

- Mark Cuban

Owner, Dallas Mavericks, and investor on the hit show Shark Tank

ABOUT BLUEHOPPER

Introducing BlueHopper's residential outdoor lighting solution - a perfect blend of speed, reliability, and affordability. Enjoy the brilliance of BlueHopper's holiday and year-round lighting solution, designed to illuminate your residential spaces with vibrant colors and captivating effects. Our system seamlessly integrates into your surroundings, blending in during the day and shining brightly at night. With BlueHopper, you can keep your lights up year after year, enhancing your home's ambiance and creating a warm and welcoming atmosphere. With our year-round programmable lighting, customers have the power to create stunning displays for every major holiday, sporting event, social causes, or special occasion throughout the year. Our system offers virtually unlimited color options and captivating effects, while providing unparalleled control and versatility. It is a plug-and-play, user-friendly system with advanced features and 40+ patents.

A New Frontier in Ambiance: The Fence Lighting Solution

Expand your celebrations to your backyard by using the BlueHopper's trusted Spectra Lights and Lite-Track system. Our new Fence Lighting Solution adapts the roofline lighting technology to transform any backyard into a stunning oasis. The Lite-Track fits perfectly on fence rails, with downward-facing lights creating a beautiful wash effect. This offers your clients a powerful way to:

Elevate Outdoor Entertainment: Create an inviting atmosphere for parties and family gatherings.

Celebrate in Style: Customize for holidays or game days with millions of colors and effects.

Enhance Security: Improve perimeter visibility without the harsh glare of floodlights.
